++ Valid for broadcast between 0600 and 1800

Headline:
Largely dry and bright today. Breezy.

Today:
After a cold start, with perhaps a touch of frost and some early fog patches in places, it should be a largely dry and bright day, with some sunny spells, especially to the lee of the hills. Cool and breezy. Maximum temperature 8 deg C (46 deg F).

Tonight:
Cloudier, with some light rain and drizzle, mainly over the Pennines. Elsewhere, largely dry with some clear spells to the lee of the hills, with patchy frost and fog possible. Minimum temperature 4 deg C (39 deg F).

Wednesday:
Mostly cloudy with some outbreaks of light rain and drizzle at times, mainly on the hills. Largely dry elsewhere, with some brighter spells developing to the lee of hills. Milder. Maximum temperature 12 deg C (54 deg F).

Outlook for Thursday to Saturday:
Becoming more settled. However, rather cloudy for many, with some light rain and drizzle, mainly on hills. Some brighter or clearer spells throughout, with overnight patchy frost and fog possible.
